CEO Janice Feldman Presents Award for Best Resort Hotel at AHEAD Asia 2019

As the proud foundation sponsor of the AHEAD awards, we were honored to present at this year's AHEAD Asia 2019 ceremony at the Andaz Hotel in Singapore. JANUS et Cie founder and CEO Janice Feldman took the stage to present the award for Best Resort Hotel to the very talented Louis Thompson, CEO of Nomadic Resorts.

Thompson accepted the award for the stunning, innovative Wild Coast Tented Lodge at the Yala National Park in Sri Lanka. The property boasts intimate lounge spaces, intriguing dining, and spectacular architecture that integrates seamlessly with the environment. Wild Coast's five-star, 36-tent safari camp first welcomed guests in November of 2017 and has since become synonymous with sustainability, landscape and heritage.

JANUS et Cie would like to congratulate Louis Thompson as well as all of the brilliant recipients of this prestigious acclaim.
