

JANUS et Cie®

BEYOND TOPIARY

Adore Outdoor: Our 2023 Partnership with ELLE DECOR

JANUS et Cie continued in partnership with ELLE DECOR for the third year in 2023, pairing luxurious furniture with fashion-forward ensembles in inspiring settings.

In the Winter Escapes issue, waterside meets courtside in the sunny New England spring, highlighted by the award-winning Serengeti collection by Philippe Starck, along with the traditional aesthetic of Lucy. Click [here](https://www.elledecor.com) to read the full story on ELLEDECOR.com.

Pictured (center left): Lucy lounge chair; (center right): Serengeti armchairs and dining table with Pizarro bowl; (bottom left): Serengeti two-seat sofa with canopy in Shoal fabric, side tables, and cocktail table and Quinta teak/woven tray.

The Designers at Home April issue featured a multi-generational family in the heart of Palm Springs, playing up the crisp, white furniture frames from Duo, Koko II, Drum, and Facet with bold prints and colorful textiles to perfectly encapsulate a Southern California summer. Click [here](https://www.elledecor.com) to read the full story.

Pictured (top): Duo round daybeds in Overland fabric and mesh chaise lounges, Bon Vivant poufs, Drum side tables, and Titan café umbrellas with Jardin

Solid fabric; (center image): Duo cabana in Bandeau fabric, throw pillow in Overland fabric, Bon Vivant pouf, and Facet side table; (bottom right): Koko II stackable padded sling armchairs, stackable mesh side chairs, and dining tables, teak umbrellas with Palm Beach fabric, and Monsoon Pandanus vases.
