

JANUS et Cie®

TEXTILES

IT IS INTUITIVE THAT NATURE PROVIDES US WITH THE BEST INSPIRATION. WHAT WE MUST LEARN...AS I DID VERY EARLY ON... IS HOW TO *SEE*. I UNDERSTOOD THAT BY LOOKING CAREFULLY AHEAD AND NEVER AT THE PAPER, MY MIND COULD DRAW WHAT MY EYES HAD BEFORE THEM. WHEN I FIRST VISITED NEW ZEALAND, I WAS MOVED BY THE SPLENDOR OF THE NATURAL ENVIRONMENT—UNIQUE TREES, FLOWERS AND LEAVES, AS

WELL AS UNKNOWN COLORS. THAT DAY IN TAUPO, THE LIGHT HITTING THE WATER REVEALED THE MAGIC OF MY 28 INCH RAINBOW TROUT. AS I RELEASED MY CATCH, I KNEW I HAD TO DESIGN A FABRIC TO LAST “FOREVER”... WE NOW INTRODUCE YOU TO ‘BROOK TROUT’, ONE OF 11 **NEW** COLLECTIONS INSPIRED BY MY FIRST JOURNEY TO NEW ZEALAND, AS WELL AS MY BELOVED CALIFORNIA BEACH HOUSE ON SAND POINT. THIS INSPIRING ADDENDUM HARMONIZES

BRILLIANTLY WITH OUR ESTEEMED  
OFFERING OF HIGH-PERFORMANCE,  
MICROBE AND ULTRAVIOLET  
RESISTANT FABRICS. OFFERED IN AN  
EXCEPTIONAL LINEUP OF PATTERNS,  
TEXTURES AND COLORS, JANUS et Cie  
TEXTILES CAN BE SPECIFIED WITH  
FURNISHINGS OR SOLD SEPARATELY  
AND SHIPPED WORLDWIDE TO  
BEAUTIFULLY TRANSFORM ANY  
INTERIOR OR EXTERIOR SPACE.

NEW COLLECTIONS

BROOK TROUT

Designed by Janice Feldman, this beautifully modulated ombre has been rendered in an abstract scale pattern that suggests a handsome fish swimming through clear water. Each of the seven colors captures the subtle beauty of a brook trout. This fabric is stunning when upholstered, allowing the ombre to shimmer in the light.

7 colors 50,000 Wyzenbeek

DRIFT

Evocative of the subtle patterns formed by drifting sand, Drift provides a quiet texture to any piece of furniture it upholsters. The intricate weave and use of multi-colored weft yarns make this pattern highly versatile in connecting different aspects of a color scheme. The texture is more visual than tactile, and the five colorways offer a lovely range of neutrals and colors.

5 colors 50,000 Wyzenbeek

HEAVY CANVAS

Some settings require the simple, tailored look of a crisp linen; but linen, as a fiber, cannot provide the performance required for use outdoors or in high-traffic areas. Enter Heavy Canvas...a fabric that looks and feels just as its name suggests, and is woven with fibers that provide peace of mind when it comes to demanding applications.

5 colors 20,000 Wyzenbeek

CANVAS TICKING

As a potential companion to Heavy Canvas, or to be used as a stand-alone fabric, Canvas Ticking provides a classic ticking stripe in the same heavy linen look as Heavy Canvas. Perfect for everything from headboards and pillows to seating of all types, Heavy Canvas and Canvas Ticking upholster beautifully, wear exceedingly well and maintain their handsome good looks over time.

5 colors 20,000 Wyzenbeek

PARADISO

Paradiso brings to mind an opulent ikat in its elegance and sophistication; but instead of being flat-woven in the way of traditional ikats, Paradiso has the sumptuous texture of a rich velvet. The archetypal pattern has been stepped up a notch, utilizing saturated yarns in carefully calibrated hues. The result is a spectacular fabric that makes a statement wherever it is used...and its durability allows it to be used anywhere, indoors or out.

6 colors 50,000 Wyzenbeek

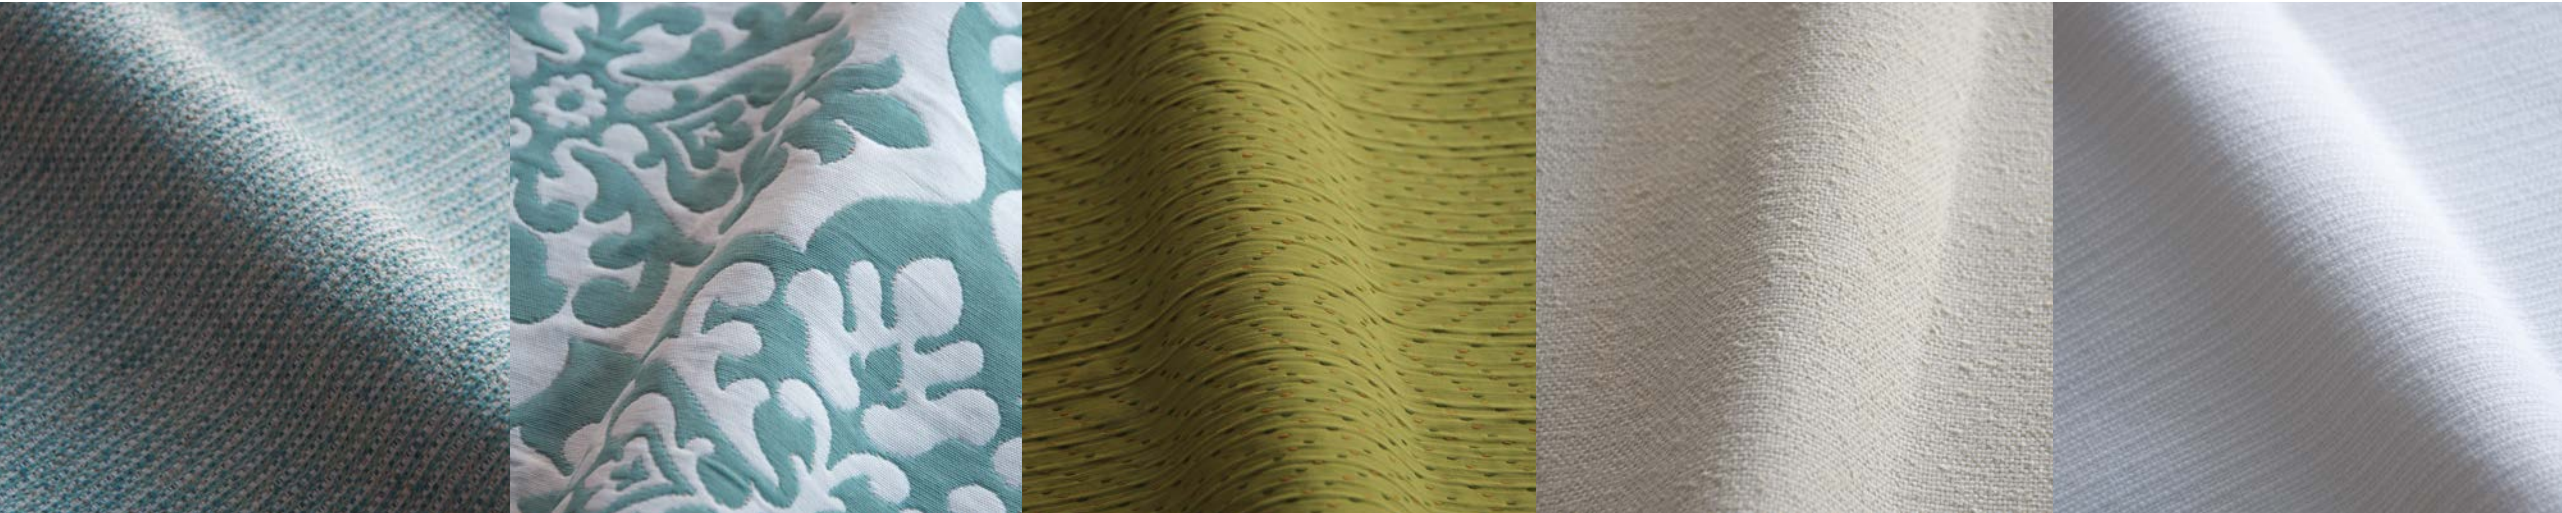

SHOAL

Shoal brings a soft texture to the collection. Like the natural phenomenon it was named for, Shoal undulates in a quiet way. Shoal works beautifully as a companion to Paradiso, but was designed to stand on its own and be used wherever a soft hand and high performance are equally important.

NEW COLLECTIONS

CREEL

Named for the tightly woven creels that fisherman use to hold their freshly caught fish, this fabric utilizes several different yarn types to create the look of those beautiful fishing baskets. The color palette is subtle and fresh, with three beautiful neutrals and five colors that become more complex the closer one looks.

8 colors 50,000 Wyzenbeek

BY-THE-SEA

Reminiscent of a handmade bed covering in a beloved beach cottage, By-The-Sea is a graphic pattern evocative of a classic quilt design. The colors are crisp and clean, as is the pattern. Whether on a sofa or chair, a chaise or a bed, By-the-Sea provides performance with the look and feel of that cherished quilt.

10 colors 50,000 Wyzenbeek

CROSS CURRENT

Cross Current’s unique pleated construction brings an element of dimensional texture to this diverse collection of multi-purpose performance textiles. This distinctive pleated fabric is created through the use of a second warp beam. Tiny stitches that look hand sewn appear to hold the pleats in place and add another layer of interest to this beautiful design.

6 colors 50,000 Wyzenbeek

BOUCLE

Boucle, a handsome all-over texture, utilizes a soft boucle yarn in contrasting warp colors to achieve a refined look. Not only is this pattern highly durable, but its neutral palette will work virtually anywhere, in any color scheme and in all types of applications.

6 colors 60,000 Wyzenbeek

AUBREE

Aubree offers a pure bright white in a beautiful texture that is both supple and fresh...a gorgeous, original textile that seems to be the perfect hybrid of linen and chenille.
