

JANUS et Cie®

ARBOR

The Arbor collection is a delightfully cohesive juxtaposition of contrasting materials, each engineered to withstand outdoor elements. Timeless, Victorian-inspired, handwoven JANUSfiber seating is artfully paired with premium-quality teak tables—each crafted with clever twists on classic slat styling—to create a texturally-rich yet seamless dining and lounge ensemble. Designed to coordinate with a variety of fiber and teak collections, Arbor’s distinctive silhouettes are offered in complementary neutral finishes and further refined by the addition of luxuriously plush cushions.
