OSPREY

The Osprey dining and lounge collection offers clean lines and rich, inviting textural depth. Contemporary in style with a nod to midcentury modernism, tapered legs angle outward beneath ergonomically formed, nest-like backrests. Osprey is engineered in powder coated aluminum frames and a sophisticated, handwoven pattern of synthetic ropes—each rope woven from dozens of smaller gauge ropes—for multi-layered strength and support, tactile elegance, and striking visual interest. Osprey is available in two neutral colorways—Graphite/Gunmetal, a tone-on-tone charcoal grey, and Talc/White Opal, an optic white frame with a silver-grey weave—and pairs beautifully with cushions across a wide range of textiles.
