An Adam Fuss photograph overlooks the master bedroom; the floor lamp is a circa-1969 Carlo Nason design, the daybed is a 1960 piece upholstered in a fabric by Cowtan & Tout, and the carpet is by Beauvais.

Opposite, from top: In the office, a vintage Gervan chaise longue is positioned near a colorful Keiichi Tanaami painting and two small works by Andy Warhol. A cast-bronze wall by Based Upon enhances the master bath and its terrace, which is outfitted with Janus et Cie chairs; the tub filler is by Boffi.
