## Just Add **BOXWOOD**

**PENNOYER NEWMAN** pots adorn everything from New York's Bryant Park to the rooftops of Rockefeller Center and the streets of SoHo. *AH&L* fell for their conical strapped planter, pictured, at the Nashville Antiques & Garden Show; we envision this sculptural form flanking entrances, or used as a stand-alone beauty. *Pennoyer Newman*, (212) 839-0500; [pennoyernewman.com](http://pennoyernewman.com)

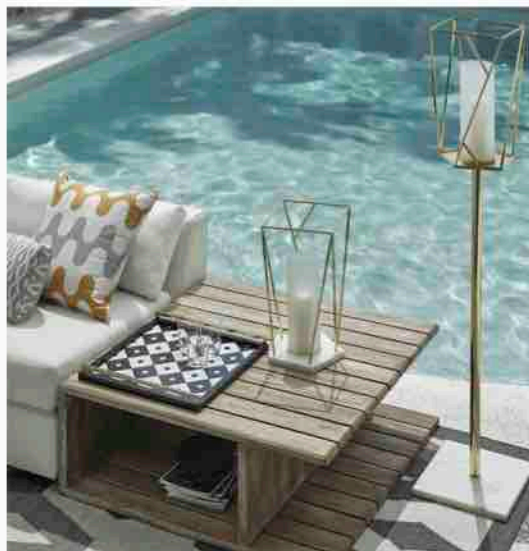

## Sailor Made

**JANUS ET CIE** and designer **MICHAEL VANDERBYL** emulate the pure lines and practicality of sailing in their collaborative collection, Hatch. Made from premium teak, pieces are crafted with the traditional hatch design of cruising and racing yachts, as seen in the hatch armchair and dining table, below. *Available to the trade through JANUS et Cie, ADAC West*, (404) 855-3444; [janusetcie.com](http://janusetcie.com)

## SOFT STYLE

New for 2018, **DEDON's** MBRACE daybed offers a cooing shape featuring a plush cushion, an aluminum frame and a solid teak base. ## Cool Touch

This chic **JONATHAN ADLER** wine bottle chiller keeps beverages cool during patio dinners and poolside parties, thanks to the natural cooling properties of marble. A solid brass cuff at the base featuring the brand's signature Nixon pattern adds a dash of glamour. *Available through Jonathan Adler*, (404) 367-0414; [jonathanadler.com](http://jonathanadler.com)
