A woman with short dark hair, wearing a wide-brimmed straw hat, black-rimmed glasses, and a black and white striped scarf under a white jacket, is smiling. A large, thick gold chain hangs vertically in the foreground on the left side of the frame. The background is slightly blurred, showing a colorful abstract painting and a shelf with various items.

JANUS et Cie head *Janice Feldman* shares what furnishes her zest for life.

A close-up photograph of a Rolex Oyster Perpetue Datejust watch. The watch features a bright blue dial with silver-tone hour markers and a date window at the 3 o'clock position. It is fitted with a silver-tone metal bracelet. The watch is positioned diagonally across the frame, with a blurred background showing hints of other watches and a wooden surface.

MAGAZINES YOU READ REGULARLY? *Departures* and design magazines. JANUS et Cie has partnered with 4D for many years.

TRAVEL - FAVOURITE REGULAR HAUNT AND WHERE IS ON YOUR MUST-SEE LIST? Venice, Italy, during the off-season: it is especially nice in the heart of winter. My must-see places are Patagonia and Tasmania [2], to which I am planning a trip.

I am always working on new collections for the company from outdoor products that look just as great inside the home to unique accessories and imaginative textiles. Personally I am painting, drawing and working on my garden(s), hoping to grow even more perfect purple tomatoes at my home in California. I am also improving my swimming distance and stroke. janusette.com
