4 BOILED EGG WITH SOLDIERS, MA'AM? Kaymet trays have been a staple of the royal family for over 60 years and we feel we all need one. Keep your crumbs *à la plate* and your tableware and reading material in order with this faux marble-clad beauty. mondopiero.com.au

Orange crush

It's the new black and a prudent punch of this particular citrus shows a chic knack.

Edited by **TANYA BUCHANAN**

9 DREAM SCENTS

Hermès perfumer and well-renowned nose Christine Nagel was dreaming of wafts from a secret garden when she conceived this divine new fragrance. hermes.com

8

8 RING TONE Rare and vintage treasures are the specialty of these Melbourne-based jewellers offering an exquisite design service from their Collins Street atelier. kozminsky.com

5 TAKE TO THE BOTTLE

The esteemed Design Laboratory at Central Saint Martins has collaborated with Cointreau on a stylish reimagining of the familiar bottle with etched oranges, and ribbed leaves. danmurphys.com.au
