A UNIQUE AND HIGHLY ECLECTIC MENU OF FURNISHINGS FOR PUBLIC SPACES OF ALL TYPES AND STYLES. Designed for diversity, this collection encompasses seating, tables, planters, and accessories cleverly suited to cafes, cafeterias, employee dining areas and lounges, waiting rooms, corporate campuses, offices and shopping centers.

In addition to function and durability, Café JANUS celebrates variety—of form, material, application, and color. Seating and tables are available in a vast range of dimensions, as are accessories that extend to bicycle stands and trash receptacles. Designs span the classic to the ultra-contemporary, seamlessly. Notable among them are derivations of the 19th century's light, graceful forms and an array of the 20th century's geometric and transitional solutions. The collection also encompasses examples of the complex curves and brilliant palette made possible by 21st-century variegated synthetics and technology.

The JANUS et Cie philosophy extends the expected boundaries of habitable space beyond the perimeters of the wall. All of the furniture in the Café JANUS collection is welcome indoors. Each design is precisely engineered, carefully manufactured, and skillfully finished using processes that combine the latest industrial technologies with the touch of the craftsman's hand.

JANUS et Cie, is a 30-year-old company renowned for design innovation, technological progressiveness, superior craftsmanship, excellent service, good corporate citizenship and is committed to environmental stewardship.
