JAMIE'S PICKS

A TIMELESS LOOK, COMFORTABLE VIBE
MAKE WICKER A TOP PICK AT HIGH POINT MARKET

① For backyard bling, the Beverly dining chair by Dann Foley for Skyline Design delivers with its Swarovski crystals that adorn the built-in handle. It can also be simplified to a stainless steel handle for a lower-key look.

② An elegant porcelain top with a resin wicker base in tasteful taupe tones makes the San Rafael fire pit by Agto a soothing centerpiece for any outdoor seating area.

③ Taking its name from a famed Italian mathematician, the Fibonacci Collection by Janus et Cie offers a modern, spare look with hand-woven rattan-inspired Janus fiber. The asymmetrical Avanda Recamier features a high curved back complemented by a long gentle slope ideal for an afternoon soaking up the sun.

④ Global-inspired medallions that mix blue hues adorn the Caspian indoor/outdoor area rug from Sphinx by Oriental Weavers.

⑤ Kingsley-Bate's all-weather wicker Cape Cod collection features deep seating sofa, lounge chair and bi-level coffee table that are at home anywhere from coastal cottage to suburban sun-room.
