ORANGE

This tangerine terrace in Florida holds its own against the bright blue sea below. Balconies and outdoor rooms are prime spots to introduce vivid, fun colors such as orange, which pairs as well with nature's big, bold hues (green landscapes, azure oceans, and sunset reds) as it does with more neutral, natural shades reminiscent of the sand, stones, and marshes.

oomph Hobe Sound Lantern in Knockout Orange, \$3,095; oomphonline.com

Fresh American Mingled Tangerine Indoor/Outdoor Pillow, \$58; dashandalbert.com

Society Social The Lilly Bar Cart, pricing available upon request; shopsocietysocial.com

Lulu & Georgia Pavia Indoor/Outdoor Rug in Orange, from \$29 (1'8" by 3'7"); luluandgeorgia.com

Design by Franco Biscardi. The cushion fabric is Spinnaker in Cayenne by JANUS et Cie.
