« Rear Living Area
A pair of ultra-comfy, curved Vereilen sofas top a rug from Mehriban. The pillow fabrics are from Loro Piana, the fireplace is from Town & Country, and the accessories came from Paris Underground in Aspen.

« Rear Exterior Landscape
architect Mike Albert of Design Workshop surrounded the patio with abundant flowers, making it a woodland-style getaway, right in town. The dining table and chairs are from Janus et Cie, and the sitting chairs are from RH.
