# SHAPE OF WATER

**FIRE ELEMENT**

Create a backyard centerpiece with the Sherwood wood-burning fireplace from Kindred Outdoors + Surrounds. An architectural stacked stone veneer from Eldorado Stone dresses the facade. *Price varies by project, available through Connecticut Stone, connecticutstone.com, mykindredliving.com, eldoradostone.com.*

**ZEN MOMENT**

Flowing water creates a calming sanctuary in the garden. Stone Forest's Helix fountain is carved from a single block of blue-gray granite. The plinth form includes a slight twist with contrasting chiseled and polished faces. \$1,450, [stoneforest.com](http://stoneforest.com).

**ROLLING PARTY**

The Dometic MoBar 550 rolling bar cart is party ready in a weatherproof stainless-steel. The precision-controlled dual-zone refrigerator can hold up to 39 wine bottles. Other amenities include a deep storage drawer, a work surface with an oak prep board and an insulated ice basket for serving up cold drinks. Equipped with a detachable power cord, the refrigerator stays cool for an extended period, even when unplugged. \$6,599, *available through Connecticut Appliance & Fireplace Distributors, cafd.com, dometic.com.*

**GATHERING PLACE**

Geometric frames and clean, contemporary lines define the Matisse collection from Janus et Cie. Lounging and dining pieces are crafted from sustainably sourced premium teak. The warm, natural finish and finely grained wood is complemented by polyvinyl mesh panels in Mocha. \$1,110–\$5,950, *NYC showroom, janusetcie.com.*

**GAME TIME**

Designed for outdoor use, the Séura Full Sun series delivers the industry's brightest direct-sun television. Weatherproof and built with a proprietary active heating and cooling system, the TV can withstand extreme temperatures. 50-inch screen, \$7,999, [seura.com](http://seura.com).
