Great For Gathering

(THIS PAGE) Cullman & Kravis Associates furnished the fire-bowl terrace with Janus et Cie Vino chairs. The fire-bowl design was a collaboration between Janice Parker and Elena Colombo at Fire Features. See Resources.

“

The easy piece of this project was that the land came with water views so beautiful it was hard for anything to go wrong

”

Living Al Fresco

On the children's terrace, Cullman & Kravis Associates paired RH's Marbella sectional sofa with a round RH coffee table. The dining table is surrounded by Janus et Cie Forest dining chairs. See Resources.
