OUT & ABOUT

THE PERFECT OBJET D'ART

PRETTY TO A TEA

DON'T TOSS THE OLD KETTLE JUST YET. Mounted on a hand-carved wood base and encased in glass, the handmade porcelain Sakura teapot is more about wooing than brewing. Display it in any room that requires a touch of elegance and whimsy.

The best part? It's the perfect conversation piece—no dish washing required.

\$2,500 at janusetcie.com.
