2. BOLLICOSA NAUTILUS

AR: The thing that intrigues me most is the scale. It feels like a big globe of light.

AP: It has a nautical vibe—perfect for a covered terrace with a pool. 16" dia.; \$1,475. cassina.com

3. MIDDLEBURY PENDANT

AP: I'd use it indoors, too! It would be good to install over a billiard table.

AR: The leather and brass components provide a nice contrast with the softness of the textiles. 29" dia. x 29" h.; \$2,600. arteriorshome.com

4. HYDRA BY ROGAN GREGORY

AR: Really cool. It's compelling to have sculpture and lighting as one object.

AP: I imagine these on a beach path to light the way. 33" dia. x 63" h.; price upon request. r-and-company.com

5. CAPTAIN FLINT BY MICHAEL ANASTASSIADES

AP: It's a little Memphis. I'm picturing it in a modern version of a captain's house on Cape Cod.

AR: This looks different from each angle. Head-on it shows one character, but then from the side it has different geometries. 8" w. x 12" d. x 11.5" h.; \$1,545. flos.com

6. PEKIN BY GABRIEL TEIXIDÓ

AR: It has an indoor quality. I love that it's a bridge between inside and out, traditional and contemporary.

AP: I like the idea of having this peek out from behind a sofa or in a corner over a card table. 88" w. x 85" h.; \$1,925. roche-bobois.com

7. SPARKLER LANTERN BY KENSAKU OSHIRO

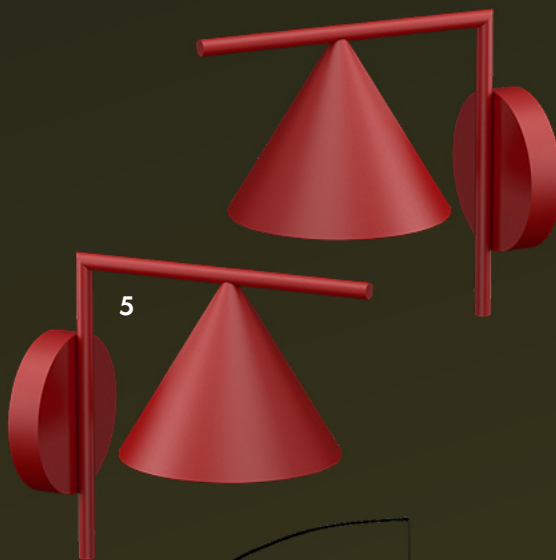

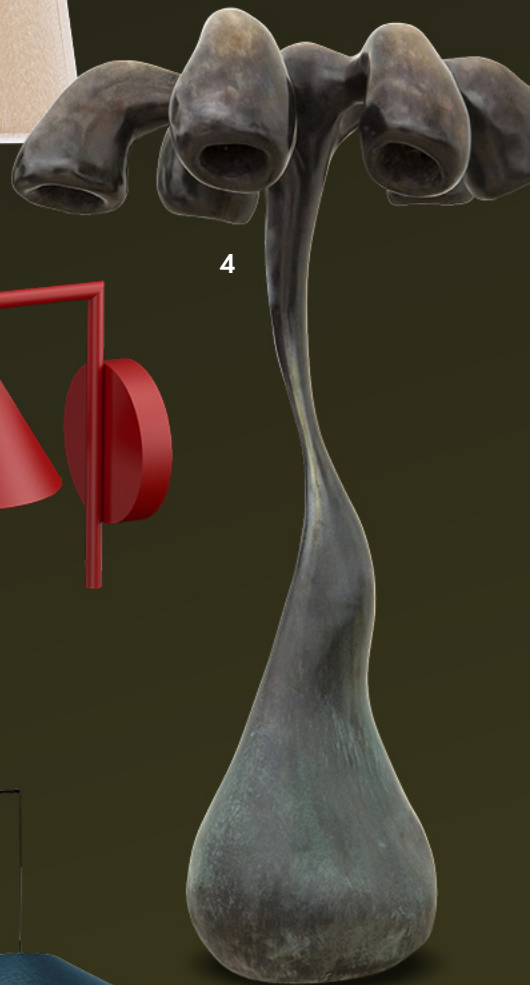

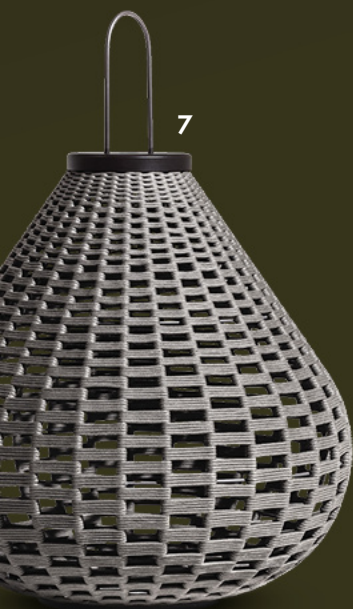

AP: These must cast amazing shadows. I see them in the desert.

AR: It hits that minimalist note but still has a lot of character and texture. 26" dia. x 32" h.; \$2,710. Poltrona Frau via janusetcie.com

8. LANTERNE BY ZANELLATO AND BORTOTTO

AR: The leather is very in line with what Louis Vuitton does. It's a bit like a chic handbag.

AP: These scream "Morocco." I'd have them in multiples. 10" dia. x 20" h., \$7,050; 12" dia. x 28" h., \$9,350. louisvuitton.com
