Classic colonial architecture meets breezy Palm Beach style in this exquisite home designed by Schwab, Twitty & Hanser Architectural Group. The pool area invites relaxation with roomy daybeds and loungers from Janus et Cie accented with Hamptons-inspired striped beach umbrellas.

Over the fireplace in the primary suite, two framed seating pads by Røros Tweed inspired the room's serene palette of cool grays and creamy neutrals. A plush Perennials rug anchors a comfy Arteriors sofa, and a gradient wallpaper from Kravet wraps the entire space.
