19th Annual IIDA/HD Product Design Competition

Yesterday, the International Interior Design Association (IIDA), in partnership with *Hospitality Design* magazine, announced the winners of the 19th Annual IIDA/HD Product Design Competition. Fossil by Stone Source took home the Best of Competition award and also won in the hard surface flooring category. **More winners on page 2.**

WHAT DOES DESIGN
GIVE YOU?

Best Booth Winners

Innovative concepts, clever use of space, and effective displays made this year's Best Booth winners stand out. While canvassing the HD Expo floor on Wednesday, the Best Booth judges—Kellie Sirna of Studio 11 Design; Melissa Pyell of Gensler; and Daniel Hyde of Pacifica Hotels—were impressed by the thoughtful and creative range of booth designs. Here are the 2015 HD Expo Best Booth winners.

- Small Booth**
Tiger Leather, #3615
- Large Booth**
Saniharto, #4229
- Best Product Display**
Valley Forge Fabrics, #4601

Contest Winners

Leading up to the show, exhibitors invited their clients and special guests to attend HD Expo. Companies that invited the most registrants were awarded tickets to our Party by the Pool tonight at 6:30 p.m. at Daylight Beach Club at Mandalay Bay. Congrats to Valley Forge Fabrics, Artline Wholesalers, and JANUS et Cie.

5. Tangled from **Covington Contract** is a new upholstery-weight fabric with a contemporary geometric design. Available in a range of colorways, the pattern fits many furniture applications.
Booth #3227

6. **Aspecta** by **Metroflor** introduces 24 abstract vinyl tile designs including Hexi, Careen, Fracas, Piermont, and Tarnish (pictured in six colorways) enhanced by a ceramic bead finish and a three-stage embossing process. Aspecta has received NSF 332 Platinum certification in resilient flooring.
Booth #1201

7. The Campaign nightstand from **Blue Leaf Hospitality** offers a travel-inspired coastal aesthetic. With a soft driftwood finish, it features brushed stainless steel corner accents paired with thinly crossed foldable legs bolted in the center.
Booth #2153

8. The Masters aluminum series from **JANUS et Cie** features **Quadrat**, a collection comprising 19 pieces constructed from powder-coated aluminum and symmetrical grids forged into the backs of chairs and tabletops.
Booth #2731

9. Handmade with stone powder and designed by Allan Howze, Zen wall hangings from **Gold Leaf Design Group** feature concentric wave-like circles that can be hung alone or in a group.
Booth #3505
