## Seating Individual

### 4

DINING SEATING INCLUDING MULTIPURPOSE, GANGING, AND/OR STACKING CHAIRS

#### **Strauss Armchair from JANUS et Cie**

The frame and seat of the lightweight chair are constructed of polypropylene, and it stacks eight high for storage. Its curved back and arms are reminiscent of vintage Danish design, and the collection is offered in eight colors: anthracite, azure, greige, olive, persimmon, plum, slate, or white.

### 5

LOUNGE SEATING

#### **Rox from Davis Furniture**

Offered as a rocker or stationary chair, the right-angled armrests and equilateral shape add a contemporary feel. The backpiece spans its full height, cutting through the open space left by the sidepieces, and the chair is offered with three different back materials: webbing, fully upholstered, or quilted fabric.

OUTDOOR SEATING

#### **Ushuaia Chaise from JANUS et Cie**

Combining a sleek powdercoated die-cast aluminum frame with mesh seating and mercury finish options, the seat and back are made of polyvinyl mesh. The white frame option is available with a white mesh, while the mercury is paired with taupe. The chaise features six adjustable positions.

#### OUTDOOR SEATING

##### Duo Cabana from JANUS et Cie

Clean and contemporary, the poolside lounge seats two within its durable aluminum frame, which is finished with independent adjustable backrests and structured reticulated foam cushions for a comfortable recline. The canopy can be adjusted up or down for protection against the sun or for privacy.

### Lighting

9

#### INDIVIDUAL LAMPS OR LIGHTING DEVICES

##### Alva Pendant from Tech Lighting

The classic Edison-style squirrel cage lamp is reincarnated as a modern socket-and-cord-style pendant light. It features a powerful downward-firing LED that is hidden within the socket and combined with a solid bulb of pure optic crystal. Detailed filaments are laser-etched into the crystal to add visual intrigue.

#### GROUPS, SERIES, SYSTEMS, OR COLLECTIONS OF LIGHTING DEVICES OR LAMPS

##### Element from Littman Brands—Corbett Lighting

The oversized 50-light pendant is handcrafted from iron and finished in Vienna bronze. The smoked and plated glass globes mix with white inside frosted glass globes and the multiple aircraft cables that suspend the light can be adjusted to different positions.
