## Textiles

### 5. Upholstery

#### Beverly Boulevard by Kirk Nix for Robert Allen Contract

A stunning collection embodying edgy luxury, Beverly Boulevard comprises a variety of one-of-a-kind upholstery fabrics, two unique drapery sheers, and a coordinated outdoor Sunbrella Contract fabric.

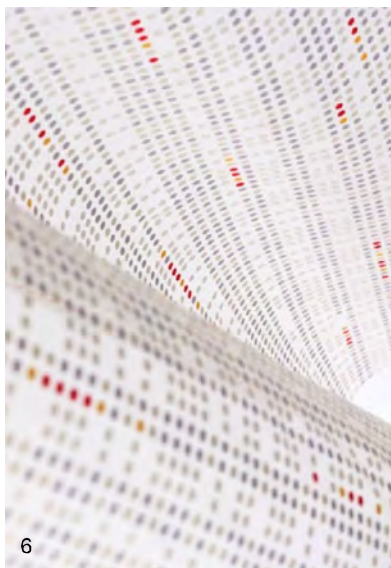

[www.robertallendesign.com](http://www.robertallendesign.com)

### 6. Bedspreads, Drapery, or Casement Fabrics

#### Jot Drapery by KnollTextiles

Inspired by digital binary code strings reminiscent of DNA strands, this pixilated drapery, which comes in four colorways with two accent colors, uses light, neutral dots to convey a sense of airy buoyancy.

## Seating Individual

### 7. Dining Seating including Multi-Purpose, Ganging, and/or Stacking Chairs

#### Lure Armchair by JANUS et Cie

Jorge Pensi designed this modern armchair that stacks up to eight. It's available in 14 colors and is constructed from reinforced polypropylene.

### 8. Lounge Seating

#### Capsule Grande Bench by JANUS et Cie

Designed by JANUS et Cie president Janice Feldman, this bench is handwoven from JANUSfiber in a tactile weave that recalls basketry techniques. The surface element encloses a powder-coated aluminum frame and polished stainless steel feet.

### 9. Outdoor Seating

#### The Harvey Wingchair by Neoteric Luxury

Completely weatherproof, non-toxic, and UV protected, the Harvey Wingchair is crafted from well-seasoned reclaimed teak. Optional anti-microbial seat cushions and throw pillows are available.

### Seating Group or Series

#### 10. Dining Seating including Multi-Purpose, Ganging, and/or Stacking Chairs

##### NetKat by Resol Group

Created by industrial designer Josep Llusçà with lightness, ergonomics, and low maintenance in mind, the backrest and seat are made from a single piece of opaque polypropylene, with a uniform perforation creating a high visual transparency.

[www.resol.es](http://www.resol.es)

#### 11. Lounge Seating

##### Boxwood Modular Collection by JANUS et Cie

This collection boasts a proprietary weave that highlights the craftsmanship and versatility of JANUSfiber. The open, decorative weave and crisp lines of Boxwood are offered in sofa, chair, table, and ottoman options.

[www.janusetcie.com](http://www.janusetcie.com)

#### 12. Outdoor Seating

##### Elements by Brown Jordan

Elements combines a new handwoven and mohair-textured Resinweave with powder-coated aluminum frames for flexible exterior and interior spaces. Seat and bolster cushions and pillows are available.
