LET  
THERE  
BE  
LIGHT!

Today's lighting options have never been more eye-catching and diversified—whether for outdoors, indoors, or both. Consider the Sparkler lantern from Poltrona Frau, which designer Kensaku Oshiro reimagined from the traditional Japanese rice paper form. Carry the sturdy aluminum and polypropylene orb with you wherever you want to shed some LED-powered light, or simply let it hang from a bishop's crook. Available in three sizes from \$1,590 (stand not included), at Janus et Cie, 221 E. 59th St., NYC, 212-752-1117, [janusetcie.com](http://janusetcie.com).
