THE LUSH LIFE

STRIPE IT RICH

Serena & Lily's Oceanpark lounge really lives up to its name: Slightly slouchy but still buttoned up, it's an inviting option both poolside and in the shade.

Available in three colorways (shown: Botanical Green), \$598, 332 Montauk Hwy., Wain-scott, 631-537-5544, serenaandlily.com.

WHAT A LIFESAVER!

New York- and Springs-based decorator Sasha Bikoff, known for her playful, yet reverential approach to design, has put a hole in it: Namely, Lifesaver, her brand-new line of seating pieces for Walters. *Dining chair (shown), \$1,735, walterswicker.com, sashabikoff.com.*

SWEET SETTEE

The stylish gents at Connecticut-based BassamFellows have just unveiled the chic new indoor/outdoor Rail collection, available in a variety of weather-resistant hardwoods and fabrics and comprising an array of seating pieces and tables. *Settee (shown), from \$15,160 to \$17,080, at 1818 Collective, 43 Madison St., Sag Harbor, 631-260-1819, the1818collective.com, bassamfellows.com.*

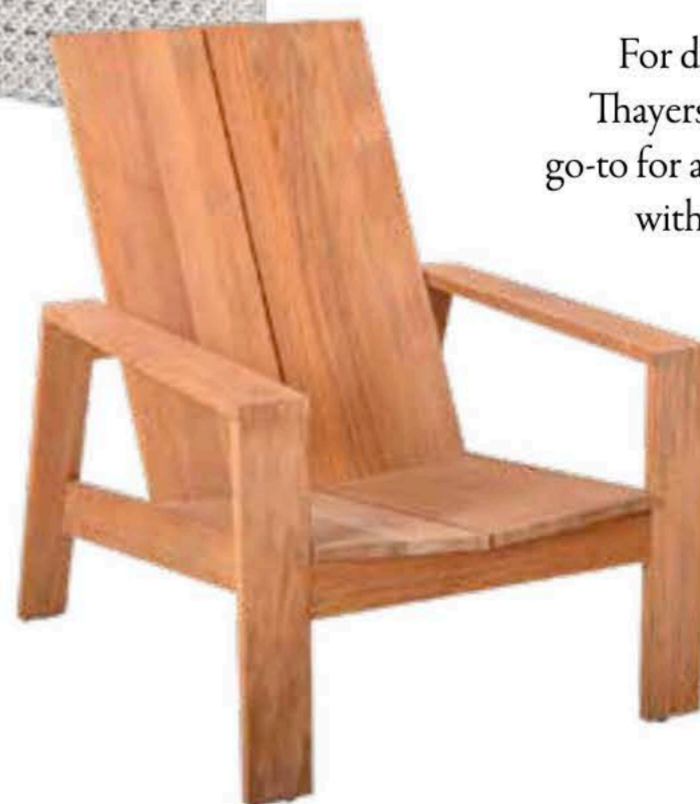

CURVE APPEAL

Made from all-weather wicker, Lulu and Georgia's sleek and sexy Simi chaise is a seductive perch for afternoons spent reading by the pool. *Available in Gray (shown) or Neutral, \$2,099, luluandgeorgia.com.*

STACKING UP

A remarkable combo of precision engineering and stylish design, the Nouveau Niche collection from Janus et Cie features the company's trademark woven all-weather fiber on a sturdy aluminum frame. The dining chair (shown: Limestone) is stackable and easily stored, but you'll want to put it to use all year long. *\$745, 221 E. 59th St., NYC, 212-752-1117, janusetcie.com.*

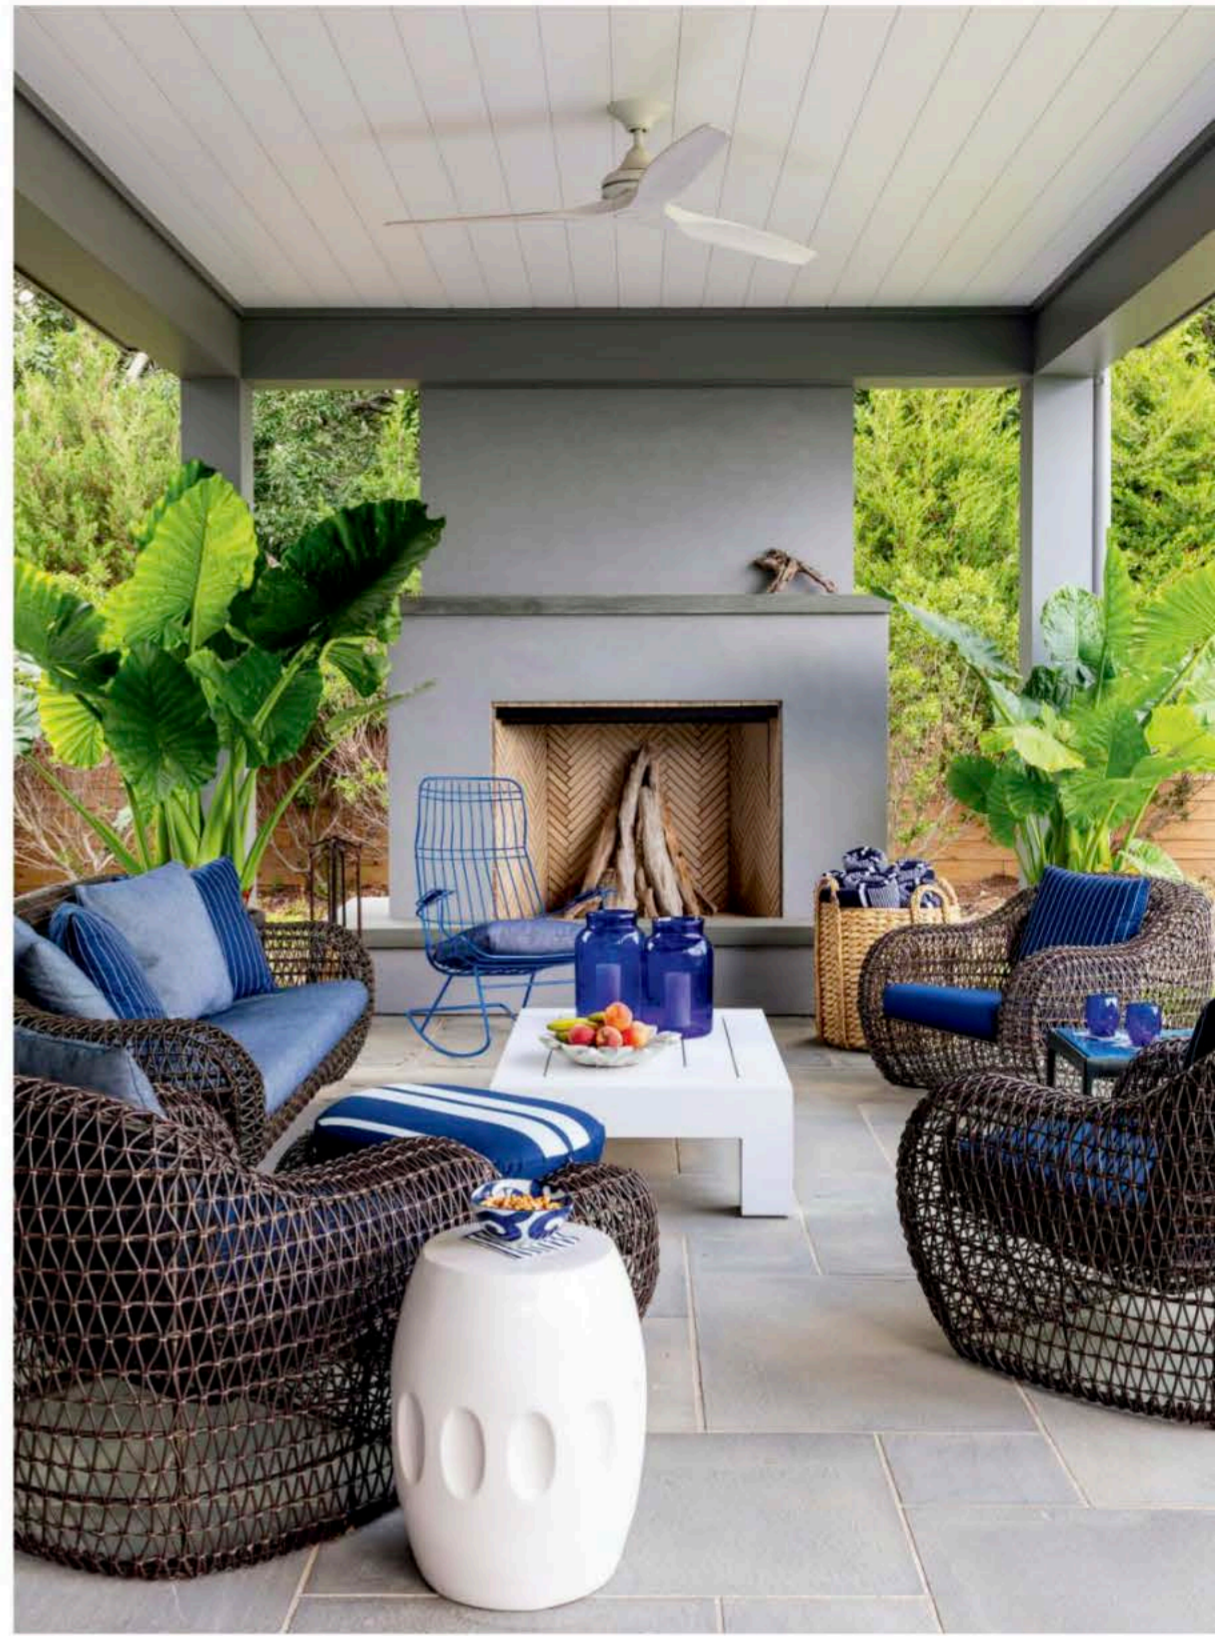

TEAK TRIUMPH

For decades, Bridgehampton-based Thayers Outdoor Living has been the go-to for all things alfresco. Not satisfied with the Adirondack chairs on the market, the company recently decided to produce its own streamlined teak version, designed by Povl Eskildsen and named Montauk for its relaxed, outdoorsy vibe. *\$1,180, 2434 Main St., 631-537-0077, thayershardware.com.*

Lap Of Luxury

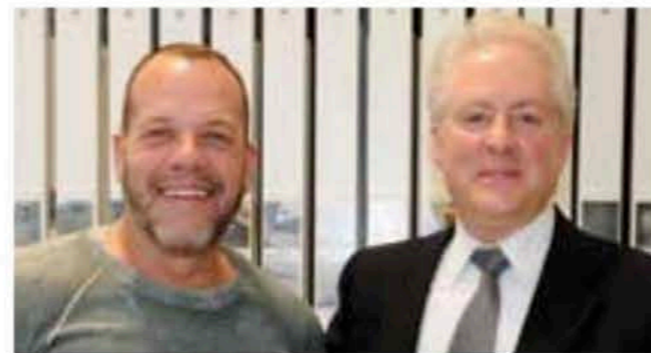

(LEFT) In another guest room, the headboard and lumbar pillow are covered in fabrics from Christopher Farr Cloth. The roman shade fabric is Canfield Stripe from Brunschwig & Fils and the walls are covered in a raffia paper from Phillip Jeffries. (RIGHT AND BELOW) In the outdoor entertaining area, a Balou sofa and armchairs from Janus et Cie surround a cocktail table from David Sutherland, also the source for the teak Peninsula dining table and chairs. Seating cushions are covered in C&C Milano fabrics. See Resources.
