## DESIGN AWARD WINNERS

READERS' CHOICE AWARDS

Every year, Home & Design *polls hundreds of industry professionals to discover their favorite local home-furnishings resources. For the first time, our 2022 survey also asked consumers to share their feedback. These pages reveal the winners of our first annual Readers' Choice Awards.*

▶ **SOFT SELL** Nicoya, an outdoor fabric collection by Romo, embraces soft, textural wovens and solution-dyed acrylic velvets that are durable and colorfast. Twelve designs range from geometrics and stripes to colorful, small-scale patterns, houndstooth and tapestry-style motifs, all in a wide choice of colorways. Find at the Washington Design Center. *romo.com*

◀ **GAME DAY** The weather-resistant Tangent Pool Table from JANUS et Cie boasts a powder-coated-steel frame on iroko-wood legs with a playing surface of solution-dyed acrylic made to withstand an exterior setting. A Tangent Cue Rack of the same materials is also available; both can be finished in black or white. *janusetcie.com*
