From opposite, far left: The kitchen centers on a powerful Lacanche chef's range—a colorful contrast to the Poliform cabinets in a Cenere Oak wood finish and the honed rhodonite countertops. The kitchen flows into a casual bar/breakfast area, where Vicas and Sacco enjoy a vintage selected from the nearby wine refrigerator. In warm weather, bifold doors open to the loggia; a Holly Hunt table and JANUS et Cie chairs accommodate outdoor dinner parties in style.
