SOLID GOLD

The International Interior Design Association (IIDA) partnered with *Hospitality Design (HD)* magazine for the 23rd annual IIDA/HD Product Design Competition to honor the most innovative products on the show floor. Fifteen products across eight categories, including a best of competition winner, were chosen by an esteemed industry panel: James Lee, Leo A Daly; Cristi Moore, Gensler; and Holly Nixon, V Starr Interiors. And the winners are:

THE 2019 ERIC ENGSTROM BEST OF COMPETITION WINNER

With luxuriously soft upholstery, Sandler Seating's Flat Soft 9W3.81 lounge chair, designed by Martin Ballendat, is manufactured from a flat, flexible material that is molded around a die-cast aluminum frame that gives it its unique shape. Sitting on a 180-degree swivel base, the shell comes in 300 finishes.

OUTDOOR

With wheels that allow for mobility and rotation, JANUS et Cie's Pivot daybed features a round design, as well as an aluminum frame wrapped in handwoven JANUSfiber, which comes in a versatile smoke color. JANUSETCIE.COM

11

12

LOUNGE

The sinuous curves of Sandler Seating's Ariane 1.1 WB lounge chair are constructed from a high-density foam molded around a wooden frame to form the seat and back. The cut-out back detail gives it a light, contemporary aesthetic, while the swivel base is available in polished chrome or die-cast aluminum black finishes. SANDLERSEATING.COM
