**1**  
**Room & Board's** scratch-resistant Dorian sunbed features an integrated mesh sling that provides an efficient space to store belongings while protecting them from sunlight.  
[ROOMANDBOARD.COM](http://ROOMANDBOARD.COM)

**2**  
Upholstered in durable fabric, Giati's Soria poufs from **Walters** double as extra seating and come in square, round, and rectangular shapes.  
[WALTERSWICKER.COM](http://WALTERSWICKER.COM)

**3**  
The Knot daybed from **JANUS et Cie** is treated with the company's proprietary powdercoat finish. Olefin rope woven by hand creates a curving yet supportive back, cradling the plush cushions and pillows.  
[JANUSETCIE.COM](http://JANUSETCIE.COM)

**4**  
The Flex sofa from **Resource Furniture** allows for multiple configurations by including movable backrests for additional options as either a chaise lounge or bed.
