Valmer, the handiwork of Guggenbichler Design, is an ultra-light, weatherproof seating collection from **Ligne Roset** that can be configured as a corner group, bench, vis-à-vis seat, or sun lounger. The woven braiding on the back is handcrafted in Indonesia. LIGNE-ROSET.COM

2

Lifesaver from **Walters** marries platform bases with rounded corners and circular cutouts. Crafted from powdercoated aluminum, every piece is imbued with a minimalist elegance rooted in European modernism. WALTERSWICKER.COM

3

Constructed of powdercoated aluminum frames with PVC rope accents and Sunbrella Canvas upholstery in a variety of finish and color selections, Bagel from **OutDesign Group** also includes several occasional accent tables. OUTDESIGNGROUP.COM

4

Tami from **emuAmericas** is made from a fusion of aluminum alloy, stainless steel, and bamboo slats to ensure durability and ease of cleaning even in harsh environments. EMU.IT

5

Alberto Lievore enhances **JANUS et Cie**'s Ria range with five woven pieces that feature braided rope over powdercoated aluminum frames. With an assortment of seating options available, the collection blends clean lines with ergonomic curves. JANUSETCIE.COM
