1 Part of **Ethimo's** Grand Life range, the sunbed features a UV- and scratch-resistant synthetic weave detail as well as a storage area within its teak frame. ETHIMO.COM

2 **OISIDE's** Drums collection comprises a material palette of aluminum, iroko wood, and natural stone, and it comes in three base shapes (cylindrical, conical, and frustoconical). OISIDE.COM

3 Woven from 100 percent recycled PET fiber, **nanimarquina's** Tres Persian outdoor pouf recovers and reuses plastic from India, reducing its environmental impact. NANIMARQUINA.COM

4 For Philippe Starck's Serengeti line for **JANUS et Cie**, the designer drew inspiration from the plains of Africa. The lounge chair, for instance, features visible peg joinery on the low-profile sanded teak frame and a polyvinyl mesh seat. JANUSETCIE.COM

5 Clodagh infused her signature sense of tranquility into the 40-piece More Comfort collection for **Walters**. Spanning ottomans, armchairs, sofas, and more, each piece is designed for comfort and easy cleaning. WALTERSWICKER.COM
