WING LOUNGE CHAIR

WINNER FURNITURE: OUTDOOR/LOUNGE

Wing is a luxurious collection with an extraordinary balance of craft and comfort. The Wing Lounge Chair is inspired by the breathtaking shape of a bird's wing translated into the generous curves and shapes of hand woven JANUSfiber. Wing's generous contours are enhanced by its intricate herringbone pattern, which takes a skilled weaver one week to complete. The collection includes a Lounge Chair, 2 Seat Sofa, 3 Seat Sofa and cocktail and side tables designed to outfit beautiful spaces indoors or out. janusetcie.com, facebook.com/janusetcie, [Twitter: @JANUS_et_Cie](https://twitter.com/JANUS_et_Cie), [Instagram: @janusetcie](https://instagram.com/janusetcie) **CIRCLE 54**
