Roger Thomas
of **Roger Thomas Collection**

product Lambda
standout The Hall of Famer, who grew up surrounded by the work of Saarinen and Eames, crafted a bench whose mid-century-mined simplicity of form provides a contrast with the flirty tassels animating its woven-resin seat. Through Walters, walterswicker.com. **circle 916**

Patrick Norguet
for **Ethimo**

product Knit
standout To give his teak sun lounger a cossetting touch, the French designer created a back laced with UV-resistant synthetic cord in a tactile, overscale Dutch weave, ethimo.com. **circle 917**

Janice Feldman
of **Janus et Cie**

product Vino
standout Named for the generous bowl of a wine glass, the daybed's romantic shape derives its strength—and lighter-than-air appearance—from the cagelike weave of powder-coated aluminum. janusetcie.com. **circle 918**

LucidiPevere
for **Emuamericas**

product Darwin
standout Paolo Lucidi and Luca Pevere sought to modernize retro sheet-metal mesh with this sleek lounger, supported by a tubular steel frame; other seating options and tables round out the collection. emuamericas.com. **circle 919**
