Henry Hall Designs

Designer Karim Rashid's signature swoopy minimalism gets a wink with **Vana**, a welcome guest at any pool or garden party. Its aluminum frame measures 49 inches high, 30 inches wide, and 26 ½ inches deep. Each chair is treated to eight durable layers of ceramic coating, in refreshing white or whimsical dark pink. 415-863-4868; henryhalldesigns.com. circle 870 ➤

Ligne Roset

Icelandic designer Dögg Guðmundsdóttir and Danish architect Rikke Rützou Arnved channel Hans Wegner's iconic Flag Halyard chair with their new **Fifty** armchair and ottoman. The elegant steel frame and legs have protective gliders; the braided seat and back are strung with taut polypropylene cord, offered in black or tobacco. 800-297-6738; ligne-roset.com.

Fanstudio

Turn to face a brand-new day with **Zero**. Turn again and watch the sunset. Inspired by the natural motion of plants as they open, close, and lean to capture sunlight, Jorge Goyal's daybed features a segmented glass- or carbon-fiber enclosure that can withdraw to let light in or unfurl to create a private space protected from rain, wind, or heat. The round frame, in anodized aluminum and stainless steel, is available in black or white and measures 86 2/3 inches across by 57 3/4 inches tall. Its reclining back and foam mattress come in a spectrum of Italian-made outdoor textiles. 34-91-593-84-71; fanstudio.es. circle 879

Modfire

Send out smoke signals from the comfort of your deck with **Tablefire**. Brandon Williams's elemental hearth is made of 12-gauge steel with a high-temperature finish in maraschino, tangerine, avocado, natural steel, white, or azure. It utilizes wood, propane, natural gas—or ethanol, for a cleaner burn. 855-663-3473; modfire.com. circle 873

Janus et Cie

The elegant **Rion** chair casts cool shadows. Standing 31 1/2 inches high, 20 1/2 inches wide, and 22 1/2 inches deep, the perky perch is made of powdercoated aluminum. The rainbow of colorways includes acid green, lilac, black, espresso, mercury, metallic gray, olive green, plum red, sandblasted beige, silver, and white. 800-245-2687; janusetcie.com.

Barlow Tyrie

With its deep proportions, John Farnsworth's **Linear** sofa offers a relaxing recline. The frame, of sustainably sourced teak, cradles cushions in 100 percent solution-dyed acrylic fabric and measures 103 3/4 inches long, 29 1/4 inches high, and 35 1/4 inches deep. The coordinating armchair has a similarly plush profile. 800-451-7467; teak.com. circle 875

Herman Miller

Charles and Ray Eames's sleek 1958 masterpiece takes a step outside with the **Eames Aluminum Group** outdoor collection. The lounge, dining, and side chairs feature frames of aluminum (natch) powder-coated white or graphite satin and a state-of-the-art multifilament polypropylene fabric in five neutral colorways. Rest your feet on the coordinating ottoman, set a drink on a round or square table, and savor time spent outside the office. 616-654-3000; hermanmiller.com. **circle 880**

Weishäupl Möbelwerkstätten

Get shady with the German manufacturer's **Pagoda** umbrella. A powdercoated-aluminum or wood pole supports fiberglass rods and polyamide hubs, while the Teflon-treated acrylic covering is offered in 21 solids, 17 stripes, and three pert polka-dot combinations. 49-8036-9068-0; weishaeupl.de. **circle 881**
