Net Effect

Conversations might turn deliciously devious in **Janus et Cie's** new Dragnet lounge chair. This piece is fashioned from a powder-coated steel frame, with the showstopping red seat and back handwoven from hardy Sunbrella acrylic fabric. For those who like to spin their webs inside, the Dragnet is available in an indoor version as well. \$5,753, 1525 Hi Line Drive, Ste. B, Dallas, 214.622.6669; 3935 San Felipe St., Houston, 713.621.5950, janusetcie.com

Pattern Play

Link Outdoor's latest collection of luxurious textiles includes a painterly pattern called Brush Stroke that will provide the perfect pop of color for any contemporary Texas patio. The design is available in 13 colorways, including several neutral tones for those who want to keep their outdoor scene a little more serene. *To the trade, George Cameron Nash, 1025 N. Ask an Expert

What are you seeing as the major trends in outdoor design?

"The biggest trend we are finding in residential landscape architecture today is the outdoor kitchen. Families are looking for more ways to spend time together by integrating the various entertainment areas of the landscape. By incorporating an outdoor kitchen into a central hub, such as the pool cabana, homeowners can continue to enjoy the company of children and guests utilizing the outdoor amenities, all while preparing an evening meal."
