Opposite: Paul Ferrante pendants shine down on a covered terrace with a seating area furnished in a sofa, chairs and ottomans from Janus et Cie with cushions in Perennials fabrics from Sutherland. The dining area includes a Sicilian table from Bellini's Antique Italia and Formations chairs.

Below: Sliding glass doors from Sierra Pacific open on either side of the master bedroom. To underscore the connection to the outdoors, Ortega finished a wall with pale green Venetian plaster. The bed, upholstered in Donghia fabric, is flanked by Paul Ferrante swing-arm fixtures. The bedside table is the clients' existing piece.
