WHAT OTHER DESIGNERS AND ARTISTS ARE DOING."

-MALLY SKOK

Opposite: Janus et Cie chairs bookend the pool, which is finished with Pebble Technology's Tropical Breeze, Visual Comfort & Co. sconces are affixed to the columns in the loggia.

Below: Roomy enough for a large gathering, the loggia welcomes guests with a Janus et Cie sectional, armchairs, side tables and ottomans. The tables in the center are by Made Goods, and the collection of pillows includes a Schumacher textile. South African baskets decorate the wall.
