**Opposite:** New Ravenna's Joie mosaic creates a shimmery backsplash in the kitchen. Emtek's Glendon and Mushroom knobs and Westwood pulls update the existing cabinetry. A Stark rug rests on the floor.

**Below:** Fremont-Smith created a comfortable poolside entertaining area with Janus et Cie's Matilda cocktail table and Wing sofas, which hold pillows of Alan Campbell's Sahara pattern for Quadrille. Landscape designer Jeffrey Thompson covered the house's exterior walls with bougainvillea, created a hedge of Asian snow jasmine and filled planters with gardenia.

“WE STAYED TRUE TO THE STRAIGHT  
LINES OF THE EXISTING HARDSCAPE,  
CREATING GATHERING POINTS.”

-JEFFREY THOMPSON
