SUMMER 2020

Two rockers from family-owned, Virginia-based **McKinnon and Harris** sport motifs on their backs inspired alternately by Scottish oval patterns (Buie rocker) and a classic chinoiserie trellis (Otey, shown). Made of high-performance aluminum in a variety of colors. \$7,670; mckinnonharris.com

London-based Michael Anastassiades reworked his popular IC and Captain Flint floor lamps for **FLOS**, using waterproof materials and technology to adapt them to outdoor functionality. They're available in two sizes. From \$1,495 (IC), \$2,295 (Captain Flint, shown); usa.flos.com

Inspired by rocks and sand patterns found in Japanese gardens, Hong Kong-based André Fu designed Rock Garden for **JANUS et Cie**, which combines teak, JANUSfiber, and textured Alabama Ceramic tabletops into serene silhouettes. \$1,685–\$15,271; janusetcie.com
