EASY BREEZY
LELA ROSE
1.2 POUNDS

Nothing feels extraneous on this one-shouldered silk chiffon gown. A tidy band of embroidery at the waist offsets the diamond jewelry. "The Loft" gown, \$4,695, by Lela Rose, at Mark Ingram Bridal Atelier, 212-319-6778. Ring, Cartier, cartier.com. Earrings, Mauboussin, mauboussin.com. Umbrella, \$985, Janus et Cie, janusetcie.com.

JUST DREAMY
MELISSA SWEET
4.15 POUNDS

Here's a dress that has all the shape and elegance of a classic gown, but little of its unwieldy girth. Below the floral guipure lace bodice is the sweep of a generous A-line skirt. Accessorize with fresh orchids in the hair—and a "just married" smile to match. "Harlow" gown, \$4,650, Melissa Sweet for Priscilla of Boston, priscillaofboston.com.
