

METROPOLIS

The background of the cover is a photograph of a retail store interior. It features several wooden racks of clothing, primarily in shades of red, orange, and white. The store is furnished with large, angular wooden partitions and a mirror, creating a minimalist and architectural atmosphere. The floor is a light, neutral color.

10 JANUS ET CIE**DUO MESH CHAISE LONGUE**

This chaise longue is part of the design-driven yet price-conscious Duo collection, which also includes a cabana, a daybed, and pedestal café tables. Special orders of 50 pieces or more are available for truly customized installations in hospitality or contract settings. janusetcie.com

11 MITCHELL GOLD**+ BOB WILLIAMS TREMONT COCKTAIL TABLE**

The one-of-a-kind teak-root table introduces an organic shape to any décor. Each root is unique: color, size, and shape will vary. The cocktail version comes with a tempered-glass top, and the console version comes without glass so its natural beauty can be appreciated. mgbwhome.com

12 JAMES DIETER KETTA LIGHTING

Modeled after tetrahedron toys of the '70s and '80s, this lighting sculpture is a chain of volumes that floats kite-like in space. The introduction of custom colors to each of the four sides presents designers with opportunities to tailor the piece to a variety of settings. jamesdieter.co

13 LAZZONI MONY LOUNGE

The latest addition to Lazzoni's sectional family, this lounge features a back and armrest that move independently of each other. It has a stainless-steel structure and uses Italian leather with high-end finishes. lazzoni.us

14 SOHOCONCEPT CAPRI CHAIR

This dining chair comes with a comfortable upholstered seat and backrest on wood legs that are plastic tipped. The base is available in solid beech wood with walnut or wengé finishes, as well as in American walnut wood and natural ash wood. sohoconcept.com

15 SLOAN VALVE AER-DEC SINK

This integrated sink includes a soap dispenser, faucet, hand dryer, and sink basin, all designed to work together as one beautiful, touch-free, hygienic, highly efficient system. Each Aer-Dec is made to order for every project so that it fits the space with a basin that is fully customized in terms of size, configuration, mounting, and color. sloanvalve.com

16 MODULARARTS CHELSEA INTERLOCKING ROCK TILES

These tiles, shown in ebonized walnut, are also available in bamboo, standard walnut, and mirror finishes. modulararts.com

17 OASIQ SANDUR COLLECTION

Sitters are almost suspended in thin air in this furniture, all thanks to a nifty design that uses a unique open weave to reduce contact with hard surfaces. Shown here are the Sandur club chair, the foot stool, and a Serac 85 Coffee table. www.oasiq.com
