

New England HOME

Celebrating Fine Design, Architecture, and Building

THE NEW ELEGANCE

Effortless blends of
glamour and ease

FAR LEFT: A print of Brigitte Bardot and a scattering of bold accessories enliven the pool house, a casual space largely decorated in Holly Hunt furniture and fixtures. **ABOVE:** JANUS et Cie furniture in durable Sunbrella fabric sits on a bluestone patio that connects the rear of the house to the pergola-fronted pool house and the pool. **LEFT:** A pleasing mix of patterns in soft hues gives the family room an easygoing yet chic appeal; Ruderman designed the built-in shelves and cabinets.
