

# Solaria — Ludovica + Roberto Palomba — 2021

## Poltrona alta / *High-back armchair*

Il sistema di sedute Solaria è un inno al comfort e alla leggerezza. Isole orizzontali definiscono lo spazio senza creare barriere, in una dimensione dell'abitare fluida ma protettiva, accogliente. Arredi leggeri, trame di corde sapientemente intrecciate a mano creano alternanze tra pieni e vuoti. La poltrona dall'alto schienale e struttura in acciaio verniciato vuole evocare anche la colta interpretazione del design scandinavo, espressa nel segno minimale e nella leggerezza.

### CARATTERISTICHE TECNICHE

**Modelli.** Disponibile in due versioni:

- Poltrona alta con braccioli
- Poltrona alta senza braccioli

- Outdoor Fabric B

Per verificare i tessuti disponibili si prega di consultare la tabella dedicata "Schema abbinamento prodotti- tessuti".

**Sfoderabilità.** Prevista.

The Solaria seating system, is a paean to comfort and lightness. Horizontal islands shape the space without creating barriers, in a living dimension that is both fluid and protective, welcoming you in. Lightweight furnishings, skilfully hand-woven cords create alternating volumes and voids. The armchair with its high and steel-framed backrest is also intended to evoke the cultured interpretation of Scandinavian design, expressed in its minimal style and lightness.

## Divano componibile / Modular sofa

Il sistema di sedute Solaria è un inno al comfort e alla leggerezza. Isole orizzontali definiscono lo spazio senza creare barriere, in una dimensione dell'abitare fluida ma protettiva, accogliente. Arredi leggeri, trame di corde sapientemente intrecciate a mano creano alternanze tra pieni e vuoti. Morbidi elementi di seduta con ampie cuscinature invitano a relazioni informali. Il sistema dei divani è componibile e la possibilità di apporre lo schienale o i braccioli consente molteplici configurazioni di seduta.

### CARATTERISTICHE TECNICHE

**Struttura base della seduta.** Costituita da una cornice perimetrale in acciaio inox sempre rivestita in tessuto.

**Struttura schienale e braccioli.** La struttura braccioli e schienali presenta la caratteristica sezione a L rovesciata.

Disponibile in due versioni:

- intrecciata in corda
- rivestita in tessuto

**Versione intrecciata.** La struttura è costituita da un telaio metallico in acciaio inox verniciato a polveri epossidiche colore Gesso Ral 9002. La struttura funge da supporto per un sistema di corde di colore Ecrù.

**Versione rivestita.** La struttura è realizzata in pannelli multistrato marino okumè con una leggera imbottitura. Rivestimento realizzato interamente in tessuto con un filetto perimetrale:

- Outdoor Fabric A
- Outdoor Fabric B

**Struttura del sedile.** Realizzata in multistrato marino con sistema di cinghie elastiche che sostiene l'imbottitura in poliuretano a celle aperte con densità differenziata e foderine in polipropilene nella parte inferiore.

**Rivestimento sedile.** Il cuscino è concepito come un unico volume rifinito da cuciture sugli angoli verticali. Il rivestimento è disponibile in:

- Outdoor Fabric A
- Outdoor Fabric B

Per verificare i tessuti disponibili si prega di consultare la tabella dedicata "Schema abbinamento prodotti- tessuti".

**N.B.** In caso di scelta di struttura rivestita in tessuto, il sedile sarà nello stesso tessuto.

**N.B.** Su richiesta è possibile avere il sedile di un colore diverso dalla struttura. In questo caso si prevede una maggiorazione del 5% rispetto al prezzo del divano nella categoria tessuto scelta.

**Si consiglia di arricchire la composizione scelta con i cuscini schienale opzionali, prevedendo la quantità di cuscini suggerita in base al modulo scelto.**

The Solaria seating system, is a paean to comfort and lightness. Horizontal islands shape the space without creating barriers, in a living dimension that is both fluid and protective, welcoming you in. Lightweight furnishings, skilfully hand-woven cords create alternating volumes and voids. Soft seating components with large cushions invite informal relationships. The side tables convey the themes of texture and transparency in woodworking. The sofa system is modular and the option of adding a backrest or armrests allows for multiple seating configurations.

### TECHNICAL FEATURES

**Seat base structure.** Made up of a stainless-steel perimeter frame also upholstered in fabric.

**Backrest and armrest structure.** The armrest and backrest structure has a characteristic inverted L-section.

Available in two versions:

- woven cord
- upholstered in fabric

**Woven version.** The structure consists of a metal frame made of epoxy powder-coated stainless steel in the colour Gesso Ral 9002. The structure serves as a support for an Ecrù cord system.

**Upholstered version.** The structure is made of okumè marine plywood with light padding. Upholstery entirely in fabric with border piping:

- Outdoor Fabric A
- Outdoor Fabric B

**Seat structure.** Made of marine plywood with a set of elastic belts supporting the open-cell polyurethane padding with differentiated-density and polypropylene covering in the lower section.

**Seat upholstery.** The seat cushion is designed as a single volume finished with stitching on the vertical corners. The upholstery is available in:

- Outdoor Fabric A
- Outdoor Fabric B

To check availability of fabrics please consult the dedicated "Fabric-Product Combination Table".

**N.B.** If an upholstered structure is selected, the seat cushion will be in the same fabric.

**N.B.** It is possible to select the seat cushion in a different colour to the structure on request. In this case there is a 5% surcharge on the price of the sofa in the chosen fabric category.

**We recommend enhancing composition with optional back cushions, choosing the number of cushions recommended according to the selected module.**

**Sfoderabilità.** Prevista per l'intero rivestimento in tessuto.

**Piedi.** Realizzati in fusione di alluminio e puntuali in nylon nero.

## ACCESSORI E COMPLEMENTI

### CUSCINI

**Cuscini schienale opzionali suggeriti.** Non inclusi nel prezzo. Ogni cuscino è composto di due elementi: un cuscino rettangolare e un cuscino cilindrico uniti da una fascia in tessuto con bottoni automatici. La forma ad L rovesciata di schienale e braccioli offre il supporto per l'appoggio al cuscino cilindrico permettendo un migliore sostegno alla seduta.

**Si consiglia di arricchire la composizione scelta con i cuscini schienale opzionali, prevedendo la quantità di cuscini suggerita in base al modulo scelto.**

**Composizione.** Realizzati in fibra di poliestere che simula la piuma e da una foderina in poliestere idrorepellente.

#### Dimensioni.

- Cuscino 60×50
- Cuscino 75×50

Per conoscere il numero di cuscini idoneo al modello selezionato si prega di visionare le indicazioni sul disegno tecnico.

**Rivestimento.** Il rivestimento è disponibile in:

- Outdoor Fabric A
- Outdoor Fabric B

Per verificare i tessuti disponibili si prega di consultare la tabella dedicata "Schema abbinamento prodotti- tessuti".

**Sfoderabilità.** Prevista per l'intero rivestimento in tessuto.

## RIVESTIMENTI AGGIUNTIVI SUPPLEMENTARI

A richiesta è possibile ordinare kit fodere di rivestimento opzionali.

Per la **versione intrecciata:**

- kit rivestimento seduta opzionale (che comprende le fodere sia per la base che per il cuscino seduta)

Per la **versione rivestita:**

- kit rivestimento opzionale (che comprende le fodere per la struttura, la base e il cuscino della seduta)

## COVER PROTETTIVA

**Cover protettiva.** Disegnata specificamente per ogni modulo del divano componibile. Realizzata con un tessuto poliestere bi-resinato colore grigio chiaro con filetti a contrasto colore grigio antracite. È equipaggiata con una sacca protettiva realizzata con lo stesso tessuto per essere riposta quando non viene utilizzata.

**Nella stessa collezione.**

- Poltrona alta
- Tavolino

**Removability.** Available for the entire fabric cover.

**Feet.** Made of cast aluminium and black nylon end caps.

## ACCESSORIES AND FURNITURE

### CUSHIONS

Optional back cushions recommended. Not included in the price. Each cushion consists of two elements: a rectangular cushion and a cylindrical cushion joined by a fabric band with snap buttons. The inverted L-shape of the backrest and armrests provides support for the cylindrical cushion, allowing better support when seated.

**We recommend enhancing composition with optional back cushions, choosing the number of cushions recommended according to the selected module.**

**Composition.** Made of polyester fibre that simulates down and a water-repellent polyester lining.

#### Dimensions.

- Cushion 60×50
- Cushion 75×50

To check the right number of cushions according to the selected model, please refer to the technical drawing.

**Upholstery.** The upholstery is available in:

- Outdoor Fabric A
- Outdoor Fabric B

To verify the available fabrics, please consult the dedicated table "Combination models-fabrics pattern".

**Removability.** Provided for the entire fabric upholstery.

## ADDITIONAL COVERINGS

Optional upholstery kits can be ordered on request.

For the **woven version:**

- optional seat upholstery kit (which includes covers for both the base and the seat cushion)

For the **upholstered version:**

- optional upholstery kit (which includes covers for the frame, base, and seat cushion).

## PROTECTIVE COVER

**Protective cover.** Specially designed for each module of the modular sofa. Made of a light grey bi-resin polyester fabric with contrasting anthracite coal grey piping. Supplied with a protective sack made of the same fabric for storage when not in use.

**In the same collection.**

- High-back armchair
- Side table

Il sistema di sedute Solaria è un inno al comfort e alla leggerezza. Isole orizzontali definiscono lo spazio senza creare barriere, in una dimensione dell'abitare fluida ma protettiva, accogliente. Arredi leggeri, trame di corde sapientemente intrecciate a mano creano alternanze tra pieni e vuoti. I tavolini trasferiscono i temi dell'intreccio e della trasparenza nella lavorazione del legno.

- Divano componibile
- Poltrona alta

The Solaria seating system, is a paean to comfort and lightness. Horizontal islands shape the space without creating barriers, in a living dimension that is both fluid and protective, welcoming you in. Lightweight furnishings, skilfully hand-woven cords create alternating volumes and voids. The side tables convey the themes of texture and transparency in woodworking.
