10 EGO PARIS KUBE

Designed by Emmanuelle Legavre, Kube has the built-in versatility to be transformed from a chair into a sunlounger, table or ottoman. The decorated aluminium frame comes with a choice of either a flower or oriental motif in a range of 20 colourways. Manufactured in Leisure Plan's cushion workshop, KUBE can be neatly stored when not in use, yet becomes useable in seconds.

11 BARLOW TYRIE AVON

The Avon range, created by British designer Tim Fenby, has been extended for 2013 to include a new three-seat settee, armchair and ottoman and fully-rotating swivel rocker. Each piece is made from high grade solid teak, with accents of woven material, aluminium and stainless steel. "Our new teak pieces launched for 2013 clearly present Barlow Tyrie's quality craftsmanship and design," says Marketing Manager, David Evans.
