PRECIOSA
HURRICANE OF INSPIRATION

Preciosa has unveiled the Hurricane of Inspiration in a dazzling installation at Sleep 2013. The piece is made up of 4,000 crystals, each with faceted detail, which combine to form spiralling ribbons. The piece can be lit using a wide range of coloured LEDs. Hurricane is the latest design from the InSpiral collection, developed by Preciosa's Chief Designer Jaroslav Bejvl Jr.

SKOPOS
MEZZANOTTE

Mezzanotte by Skopos is a collection of elegant light obscuring dim-out fabrics providing a perfect drapery solution for contract interiors. The collection consists of three qualities; Sera, Nox and Nero, as well as narrow and wide width and a broad palette of colours. The fabrics meet standards for flame retardancy.

REASON SEASON TIME
BOMBAY ISLANDS

Showing at Sleep 2013 for the first time, Reason Season Time aim to meet demands for distinctive furniture that can bridge both contemporary and traditional looks. The company works with selected suppliers to source materials, which are all from reclaimed sources. Bombay Islands, the latest collection, is retro-influenced and inspired by the history and contrasts of the bustling island metropolis.

PS INTERIORS
LOTUS

New from PS Interiors, Lotus is available in two different versions – one with the upholstery continuing to the bottom and the other with exposed wooden legs that can be stained to any wood colour. Contrasting piping adds an extra degree of sophistication. The hole in the back not only adds to the style, but also makes it easier to pull away from a table.
