SUN AND SHADES

Haute Couture 2017

Sun and Shades' latest collection, Haute Couture 2017, is a balanced mix of contemporary and traditional outdoor furnishings. French design provides the ultimate in comfort, while powder-coated aluminium frames ensure maximum stainless protection. The collection can be customised to reflect a variety of environments, resulting in never-seen-before designs of the utmost quality.

MANUTTI

San

Inspired by Japanese culture, San embodies elegance and refinement for a distinctive seating experience. Radiating minimalist elegance with an eye for detail, the collection is versatile, with options including bench, lounge, and sofa. The low bench is available in Lava, with removable seating and back cushions in different colours. Meanwhile, the tables can be added to the mix and come in Portoro black and Carrara white.

JANUS ET CIE

Katachi

Created by Janus et Cie founder Janice Feldman, Katachi is based on a Japanese concept that combines 'kata' meaning form, and 'chi' meaning magic. Comprising an armchair, lounge chairs, ottoman, sofas and tables, the range features exceptional ergonomics and special finishes. Four new styles of JanusFiber have also been added, each a herringbone weave of colours.

KETTAL

Mesh Deckchair

Collaborating once again with Kettal, Patricia Urquiola has designed a new piece for the Mesh collection in the form of a teak deck chair with adjustable backrest. Reminiscent of building façades that let in light and air while keeping the elements out, Mesh features an expanded metal for lightness, alongside wood, aluminium and marble table tops. Meanwhile, the cushions feature fabrics from the Terrain collection by Doshi Levien.
