**ROMANCE**

A photograph of a classic French-style living room. The room features a large, ornate chandelier hanging from the ceiling. The walls are light blue with white architectural details, including arched windows and columns. In the center, a wooden console table holds a vase of pink flowers, a framed portrait, and other decorative items. Two tall, dark wood pedestals with blue urns stand on either side of the console. In the foreground, there is a light-colored sofa with a small round table, a wooden chair, and a grey armchair. The floor is covered with a patterned rug.
