

# VOGUE

A portrait of actress Carey Mulligan, looking directly at the camera with a neutral expression. She has dark, wavy hair with bangs and is wearing a small star-shaped earring. She is dressed in a red, textured, strapless gown with a black halter-style collar. The background is a soft-focus indoor setting with a window.

# CAMERON RUSSELL

## Favorite flower:

Jasmine.

## Dream vacation:

A family holiday in Maine. My dad built a little timber-frame cabin on an island just off the coast.

## Vacation beauty regimen:

Sunscreen—and letting my hair relax. It's washed every day when I'm modeling, so I give it a break and let the sea salt impart some natural texture.

## In the carry-on:

Two swimsuits—I love swimming, and I hate putting on a wet bikini.
